Alumnae.
Did you ever see any of this yonder
metal? Almost as hard as iron, and
strong as steel, and will not tarnish un-
der any circumstances. It is made from
three hot pocket rules of this model.
The handiest tool for the vest pocket ever
had or devised. Weighs less than a nickel five cent
piece.

Will send one to any address, post-paid
on receipt of ten five-cent pieces in coin
or two cent stamps.
